 SO SWEET - Light pink dbl; round serrated leaf. Well named.
 DBL. LOVELY LADY - Medium pink bloom; dark, red-backed foliage.
 LONGFOLIA DBL. PINK - Large, deep pink; very dark, red-backed, narrow foliage.

READ CAREFULLY BEFORE ORDERING

I will replace leaves and plants that do not reach you in good condition, if notified immediately. I cannot be responsible for what happens after you receive them, however, as I have no control over their growing conditions there. If you lose some through propagation, I will be glad to replace them free with future orders.

Leaf orders received before February 28th will be rooted at no extra cost and shipped in April or May, as the weather permits and in the order received.

Rooted leaves will have small plants attached whenever possible. If I run short of some varieties I may have to send just a well rooted leaf or substitute another variety of the same or higher price. I will not substitute unless absolutely necessary, but do list a few extras so that I won't duplicate something you already have. These also help me in selecting gift leaves or plants, which I include with all orders.

Since the cost of shipping has increased, I must ask you to include 65¢ with all orders west of the Mississippi and 85¢ with all orders east of the Mississippi, to help on packing and postage costs.

I will start shipping about April 15th, or whenever the weather permits. I send all orders "Special Handling" unless you request otherwise. Air Mail and Special Delivery are extra on all orders.

My plants are State inspected and declared free of diseases and insects. Come and see them when you are in Sheridan. Please call first. My phone number is: ORchard 4-7317.

I also sell blooming plants here in my home.

Mrs. James W. Fowler
57, Sheraton
Sheridan, Wyo.
